- Homologation: ECE compliant (street legal)

Packaging Data
- Packaging type: Blister

Green Specifications
- Heavy metals: Cd free, Hg free, Pb free

Product highlights

Up to 15% energy saving
EcoVision lamps consume less energy than standard lamps.

Reduces fuel consumption
Over their lifetime, just one pair of EcoVision lamps can save you on fuel which means you can drive longer for the same fuel expenditure

Less CO2 emission
Over their lifetime, one pair of EcoVision lamps will reduce your car's CO2 emissions. If everyone switched to EcoVision, this would save millions of tonnes of CO2.
